

Dear ED Students,

Please be informed that e-learning in the Department of Endocrinology and Diabetology for Children and Adolescents will be carried out in accordance with the "General Principles of E-Learning of PEDIATRICS for students of III, IV, V and VI year WL and ED" specified by the coordinator of the subject "Pediatrics" and published on the website of the Wrocław Medical University.

In this regard, we kindly ask you to CONTACT the lecturers to be provided with the necessary training materials and to confirm the date of class and credit.

We remind you that the optimal date of classes is the date originally planned in the schedule.

We remind you that the classes planned for 11-24. March 2020 that were not held must be made up.

We would like to remind you that the lecturers can be contacted only through university email accounts (i.e. in the domains @umed.wroc.pl - employees or @student.umed.wroc.pl for students).
