

Rules of Procedure

1. Classes are held in sub-groups of students under the supervision of an assistant lecturer exercise. It is not possible to change the subgroup by students, only in exceptional situations.

2. Exercises begin at the scheduled time schedule. A delay of more than 20 minutes may result the student is not being accepted for classes.

3. Students on the exercises should come dressed up (cloakroom on level -1) in apron / uniform and changed footwear. Students of the Faculty of Medicine and Dentistry should have a stethoscope.

4. Students on exercises should be prepared in accordance with the subject of the exercises.

5. All students are obliged to respect the patient's dignity and maintain medical confidentiality. Respect for Patients is also demonstrated by the way you behave during your stay at the Clinic or Laboratory (also while waiting for the exercise to start) and the student's clothing.

6. The behavior in the Clinic should not interfere with the Patients or staff of the University Clinical Hospital.

In the Clinic or Laboratory, it is prohibited to:

- eating, drinking, chewing gum and smoking
- sitting on windowsills, beds and floor
- use of mobile phones.

7. In other matters of the students, the regulations of the Medical University of Wrocław and the University Clinical Hospital in Wrocław apply.
